JLL ASSET LTD.

SHAREHOLDER RESOLUTION

(JLL Asset Ltd. – BVI Business Company No. 2307228)

Date: 15 Oct 2025

Place of Meeting: Road Town, Tortola, British Virgin Islands

WHEREAS:

1. JLL Asset Ltd. (the "Company") was duly incorporated under the BVI Business Companies Act, 2004 as a special purpose vehicle ("SPV") for the holding and management of real-world asset (RWA) projects developed under the AGV Protocol framework.
2. The Company is currently registered with one founding shareholder for the purpose of incorporation and initial asset acquisition.
3. To align the Company's ownership structure with the operational and tokenized equity framework of AGV Protocol and its DAO Treasury, the shareholder hereby resolves to approve the following equity allocation and issuance plan.

NOW, THEREFORE, IT IS HEREBY RESOLVED THAT:

1. The Company shall authorize and issue shares in accordance with the schedule attached hereto as **Schedule A (Cap Table Allocation)**, representing the strategic equity distribution among the Asset Originator, DAO Treasury, and Core Team.

JLL ASSET LTD.

2. The existing single shareholder (the "Founding Shareholder") agrees to waive and/or reallocate shares to reflect the new equity structure as set out in Schedule A.
3. The Board of Directors (or authorized representative) is hereby empowered to execute all necessary documents and filings to implement the share issuance upon completion of Phase I project audit and valuation confirmation.
4. The issuance will be subject to compliance with BVI corporate governance, anti-money laundering (AML) regulations, and relevant AGV DAO resolutions.
5. The Company Secretary is instructed to update the **Register of Members** and the **Register of Allotments** accordingly once the share issuance is executed.

CERTIFICATION

This Resolution shall take effect immediately upon signature and may be executed in counterparts or by electronic means, all of which shall together constitute one and the same instrument.

SCHEDULE A – CAP TABLE ALLOCATION (Effective Post-Audit)

Shareholder / Entity	Role	Percentage (%)	Notes
Asset Originator / Founding Shareholder	Equity owner of underlying real assets (orchard, solar, compute)	**70%**	Represents control of base physical infrastructure and project yield.
AGV DAO Treasury	Tokenized equity pool representing DAO and community holdings	**20%**	Non-voting shares, reserved for DAO governance and staking yield mechanisms.
AGV Core Team & Contributors	Key contributors, management, and technical team members	**10%**	Subject to 36-month vesting and DAO oversight approval.

IMPLEMENTATION NOTES

JLL ASSET LTD.

- The above allocation reflects post-audit structure following Phase I completion of the Yichuan "Orchard + Solar Hybrid" RWA Base.
- DAO-related equity (20%) will be mirrored via tokenized representation (GVT/rGGP governance mapping).
- The Founding Shareholder retains controlling interest until DAO share issuance is executed.
- All share certificates shall be updated and issued upon formal registration with the BVI Corporate Registry.
